Hi Korey,

It's been great weather for baseball. The facilities have been awesome and in great shape. The umpires have been great with the kids. We could have a few more call go our way (just kidding). It helps having two. Thanks for the time and effort you put into the league. It seems to be running smoothly.

Korey, good job last night.

You're doing a great job with the boys. It's good how you mix the kids up in the outfield and the infield (no matter what the talent level is). My Son is enjoying himself. Stay on top of that kid (I know he can be a bit frustrating). Keep up the good work!

Hi Korey,

"Thanks again for everything this past weekend. It was awesome we got to use the batting cages and see your facility over there. Some of our boys were quite impressed and would love to have facilities like that closer to home. I was extremely impressed with the way the Appleton teams could hit the ball. We didn't have that many errors (until our last game) and I thought our pitching was pretty comparable but we just don't have that many kids that can hit as well. And the last team we played, you could hardly tell the top of the order from the bottom. So hats off to them, whatever they are doing, it's working!! Oh well, the kids still had fun and I guess we couldn't expect much, it was the first tournament these kids ever played together, we had two 10 year-olds, two 12, and the rest eleven. And I think we only practiced 3 times prior to the tournament. It's hard in our area to get enough kids to even try out for a traveling team. Anyway, nice tournament even with all the rain!!"

Korey & Scott,

"We really want to thank both of you for helping my son get to this point! Both of you have been such a great influence on him, both on and off the field. His mom and I had to promise him that he could at least keep coming out to work with you this summer on his own. He is even willing to pay for some of his lessons out of his own money. That's how much he values your help. One other thing- We as a family are going to miss spending time with you and the other Panther families this summer. We had a lot of fun last year and like my son, we were looking forward to another Panther baseball season. We wish you guys all the best this summer."

Morning Korey,

"Just wanted to let you know how much my son enjoyed your camp this year. Thanks for helping out our Appleton East Patriots (even though you went to Appleton West):) Thanks much. Look forward to seeing you around the field."
